CALL FOR PAPERS

The *Western Criminology Review* is the official journal of the Western Society of Criminology, and we invite all presenters to submit their research to the journal. Published twice a year, *WCR* is an on-line, peer-reviewed outlet for scholarly research in all matters important to criminology and criminal justice. The journal is intended to reflect local (Western), national, and international concerns. Manuscripts are submitted electronically, and all correspondence is conducted online to speed the review process. Due to the advantages of being an online journal, there are no page, color, or appendix restrictions; therefore, authors can include hypertext links and images at their discretion. Our evaluation process of submitted papers involves a brief internal consideration by editorial staff, followed by a blind assessment by two external reviewers. Replies and Comments to previously published articles are encouraged. All submissions should be formatted according to the journal's guidelines for manuscripts, which can be found on the *WCR* web-site at <http://wcr.sonoma.edu>. Persons interested in submitting their work to *WCR* should send inquiries to Gisela Bichler or Stephen Tibbetts, Co-Editors, at wcr@sonoma.edu or at Department of Criminal Justice, California State University–San Bernardino, 5500 University Parkway, San Bernardino, CA, 92407-2397.
